Tht Bangladesh Government enacted the Enemy Property (Continuance of Emergency Provisions) (Repeal) Act 1974 which provided for the repeal of the 1969 Ordinance with effect from 23 March 1974 under which, property formally vested in the Custodian of Enemy Property was vested with the Government of Bangladesh. A further Ordinance No. XCIII of 1976 issued on 27-11-1976 by the Bangladesh Government provided that properties which were vested under the 1974 Act as 'Enemy' property "shall be administered, controlled, managed and disposed of by transfer or otherwise by the Government or such officer or authority as the Government may direct". The Bangladesh Government had issued instructions in October and December 1983 for making necessary arrangements for the disposal of vested properties and specifying the powers of administrative bodies at various levels for such disposal.

(c) Government of India have been in touch with the Bangladesh authorities in order to ensure that the properties vested by them are not disposed of without the consent of the owner or without the question of compensation being settled between the two Governments. From reports in the Bangladesh Press it is noticed that in a meeting with members of the Enemy Property Resistance Committee on 22 June 1984, the Bangladesh President, Lt. General H. M. Ershad had directed that oll proceedings for the sale of vested properties would be stopped forthwith and instructions would be issued not to declare any more property as vested property. No such orders containing these directives are understood to have been issued so far. Government will continue to pursue the matter with the Bangladesh authoritics in the interests of the rightful owners of these properties, including those who are now in India.

Locating of Mining sites in the Indian Ocean

1115. SHRIMATI USHA MALHOTRA:
DR. (SHRIMATI) NAJMA HEPTULLA:
SHRI P. N. SUKUL :
